Dear Mr. Parkin:

**Re: Application for a Renewable Energy Approval for  
Goodlight Solar Facility  
City of Kawartha Lakes  
MOE Reference Number 9838-8YRJNM**

We acknowledge receipt of your application for approval dated August 24, 2012 and received on October 2, 2012 for the following:

Approval Type: Renewable Energy Approval (REA)

Project Description: This proposal is for a Renewable Energy Approval for the Goodlight Solar Facility by 2241656 Ontario Corp. operating as Goodlight LP, located in the City of Kawartha Lakes, Ontario. This proposed facility is a Class 3 Solar Facility with a nameplate capacity of 10 megawatts (MW).

Site Location: 1175 and 2002 Sandringham Road  
Part of Lot 20, Concession 5  
City of Kawartha Lakes

The intent of the proposed solar facility is to connect to Hydro One's distribution system with electricity supplied to the provincial grid.

The proposed facility is considered to be a Class 3 Solar Facility under Ontario Regulation (O. Reg.) 359/09 Renewable Energy Approvals under Part V.0.1 of the *Environmental Protection Act* (O. Reg. 359/09). Applications for Renewable Energy Approvals are required to be submitted in accordance with O. Reg. 359/09 for consideration for approval.

The Ministry has screened your submission and according to the requirements set out in O. Reg. 359/09 your application has been deemed complete. The Ministry will now begin the technical review of your submission. In accordance with our six month service standard, your application will be reviewed and a decision is expected to be made by June 14, 2013, provided that there are no significant issues raised during the Ministry's review.

Under Section 15.1 of O. Reg. 359/09, proponents are requested, within 10 days of the posting of the proposal notice on the Registry, to ensure that final copies of all submitted REA documents are posted on their website.

Under Section 15.2 of O. Reg. 359/09, proponents are requested, within 10 days of the posting of the proposal notice on the Registry, to publish a notice in a newspaper with general circulation in each local municipality in which the project location is situated. Details on what is to be included in the notice are provided in Section 15.2 of the Regulation.

Please note that should you require any other permits and/or approvals from other Provincial ministries or agencies, such as the Ministry of Natural Resources, the Ministry of Transportation or a conservation authority, please ensure that you contact that ministry or agency immediately to coordinate the timing of their approvals with the REA.

The Ministry's reference number for your application is 9838-8YRJNM. Please quote this number in any correspondence or enquiries regarding this application.

If you have any questions regarding the above, please contact me at the above phone number.

Yours truly,

Doris Dumais  
Director  
Environmental Approvals Access and Service Integration Branch
